SUMMARY OF THE REASONS FOR DECISION:

The computer image file entitled *rbv08_(lt)cs2.jpg* is classified as:
Objectionable.

This classification is because the publication promotes and supports the exploitation of children and/or young persons for sexual purposes.

The publication is a computer image file depicting sexual activity involving two young boys. For those with a sexual interest in children and/or young persons, and inclined to see children and/or young persons as sexually arousing, the publication serves to validate and legitimise that interest.

The classification of this publication interferes with the freedom of expression, as set out in s14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under s3(2) of the Films, Videos, and Publications Classification Act 1993 are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of "a free and democratic society" to limit the availability of publications that promote and support the exploitation of children and/or young persons for sexual purposes.
